

# BANGLADESH WATER EXPO

THE LARGEST & PREMIUM ANNUAL WATER EVENT OF THE YEAR

## POST SHOW REPORT

**28-30 November 2022**

International Convention City Bashundhara (ICCB)  
Dhaka, Bangladesh

## PRELUDE

An Exclusive & premium International Expo for Water & Wastewater Industry was held from 28 to 30 November 2022 at International Convention City Bashundhara (ICCB) Dhaka, Bangladesh.

Over the course of 3 days, Bangladesh Water Expo 2022 welcomed close to 2,500 participants including international visitors and 70+ exhibitors. The strong international nature of the show was reflected in 7+ countries participation in 2022 including Australia, China, Germany, India, Japan, Switzerland and Taiwan.

The Water Expo brought together a comprehensive range of the latest technologies and developments in sustainable utilization of water resources, water & wastewater management, water and wastewater treatment and reuse of water on the same platform.

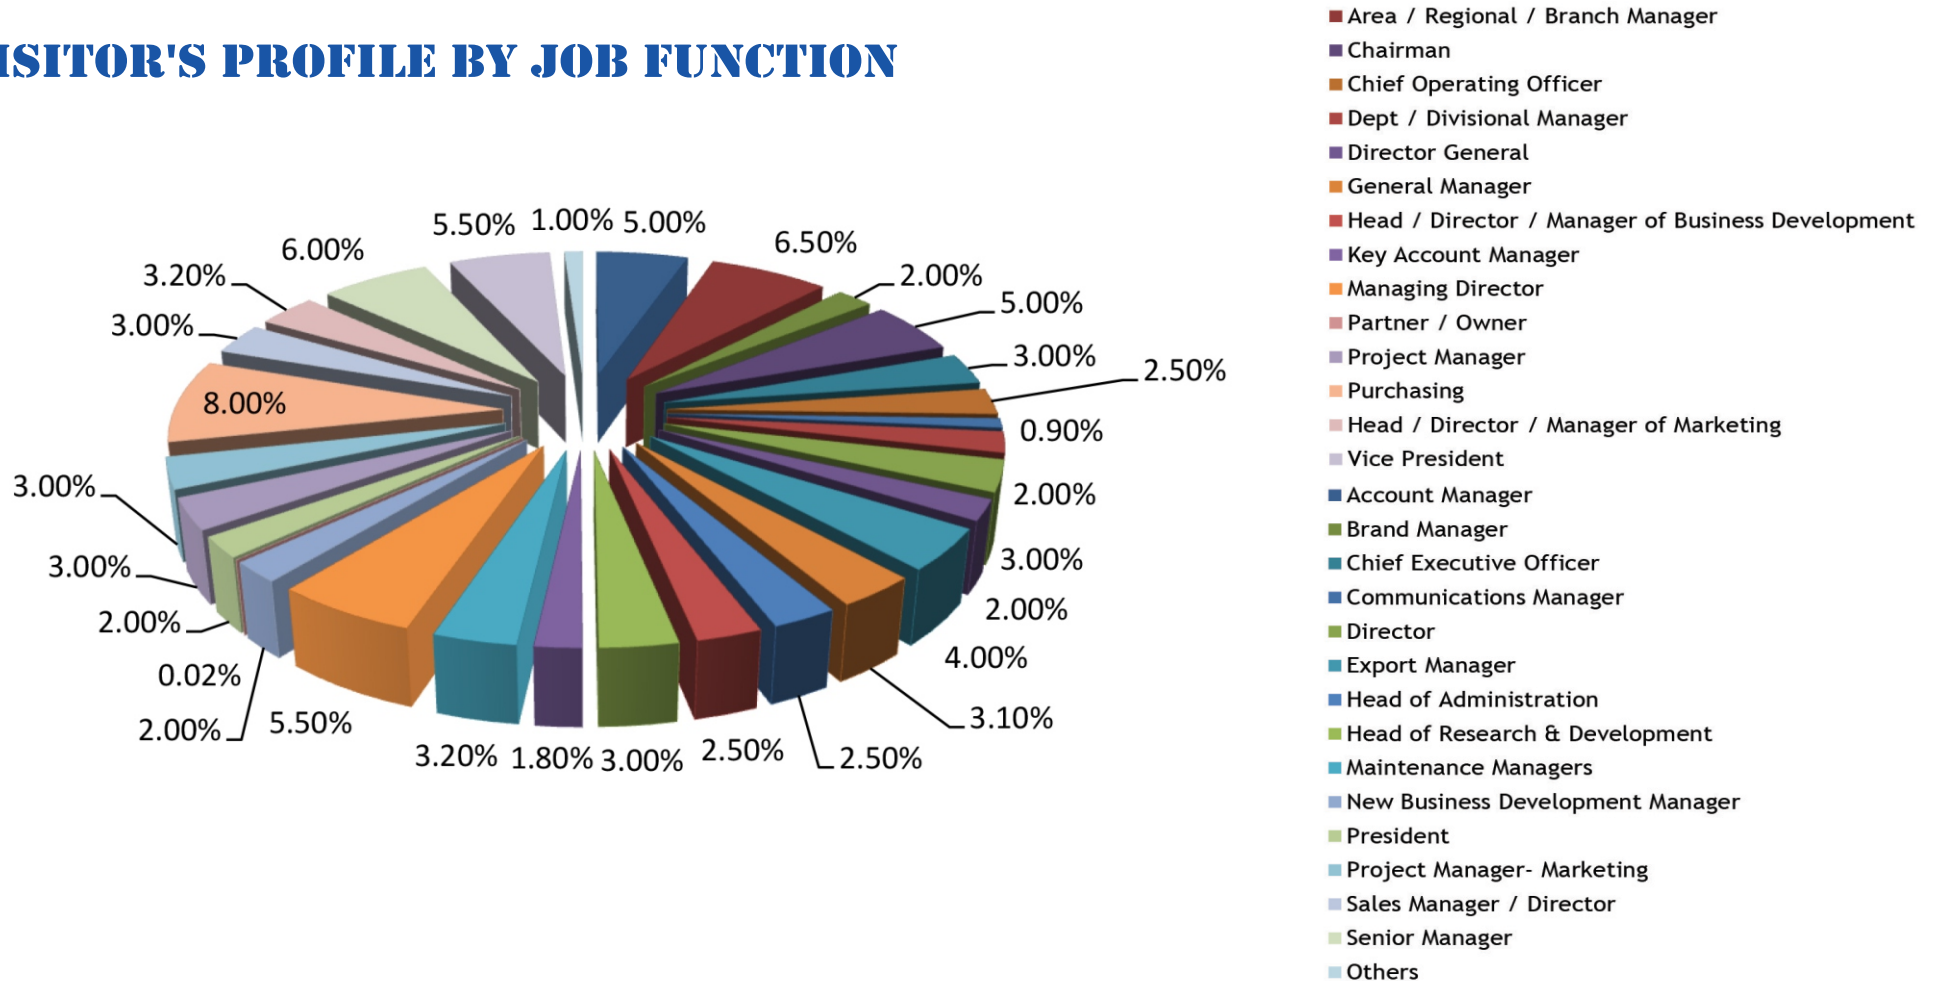

*The success of the event was driven from the positive feedbacks from the exhibitors and increasing number of participation of visitors and water experts. This reception has aspired Water Today to continue as the key business association forum and WATER EXPO as the leading Water event in South Asia. The event provides an excellent opportunity to establish new partnerships between the governmental and local policy makers, investors, business executives and representatives of business associations.*

## HEAD-TURNING FACTS

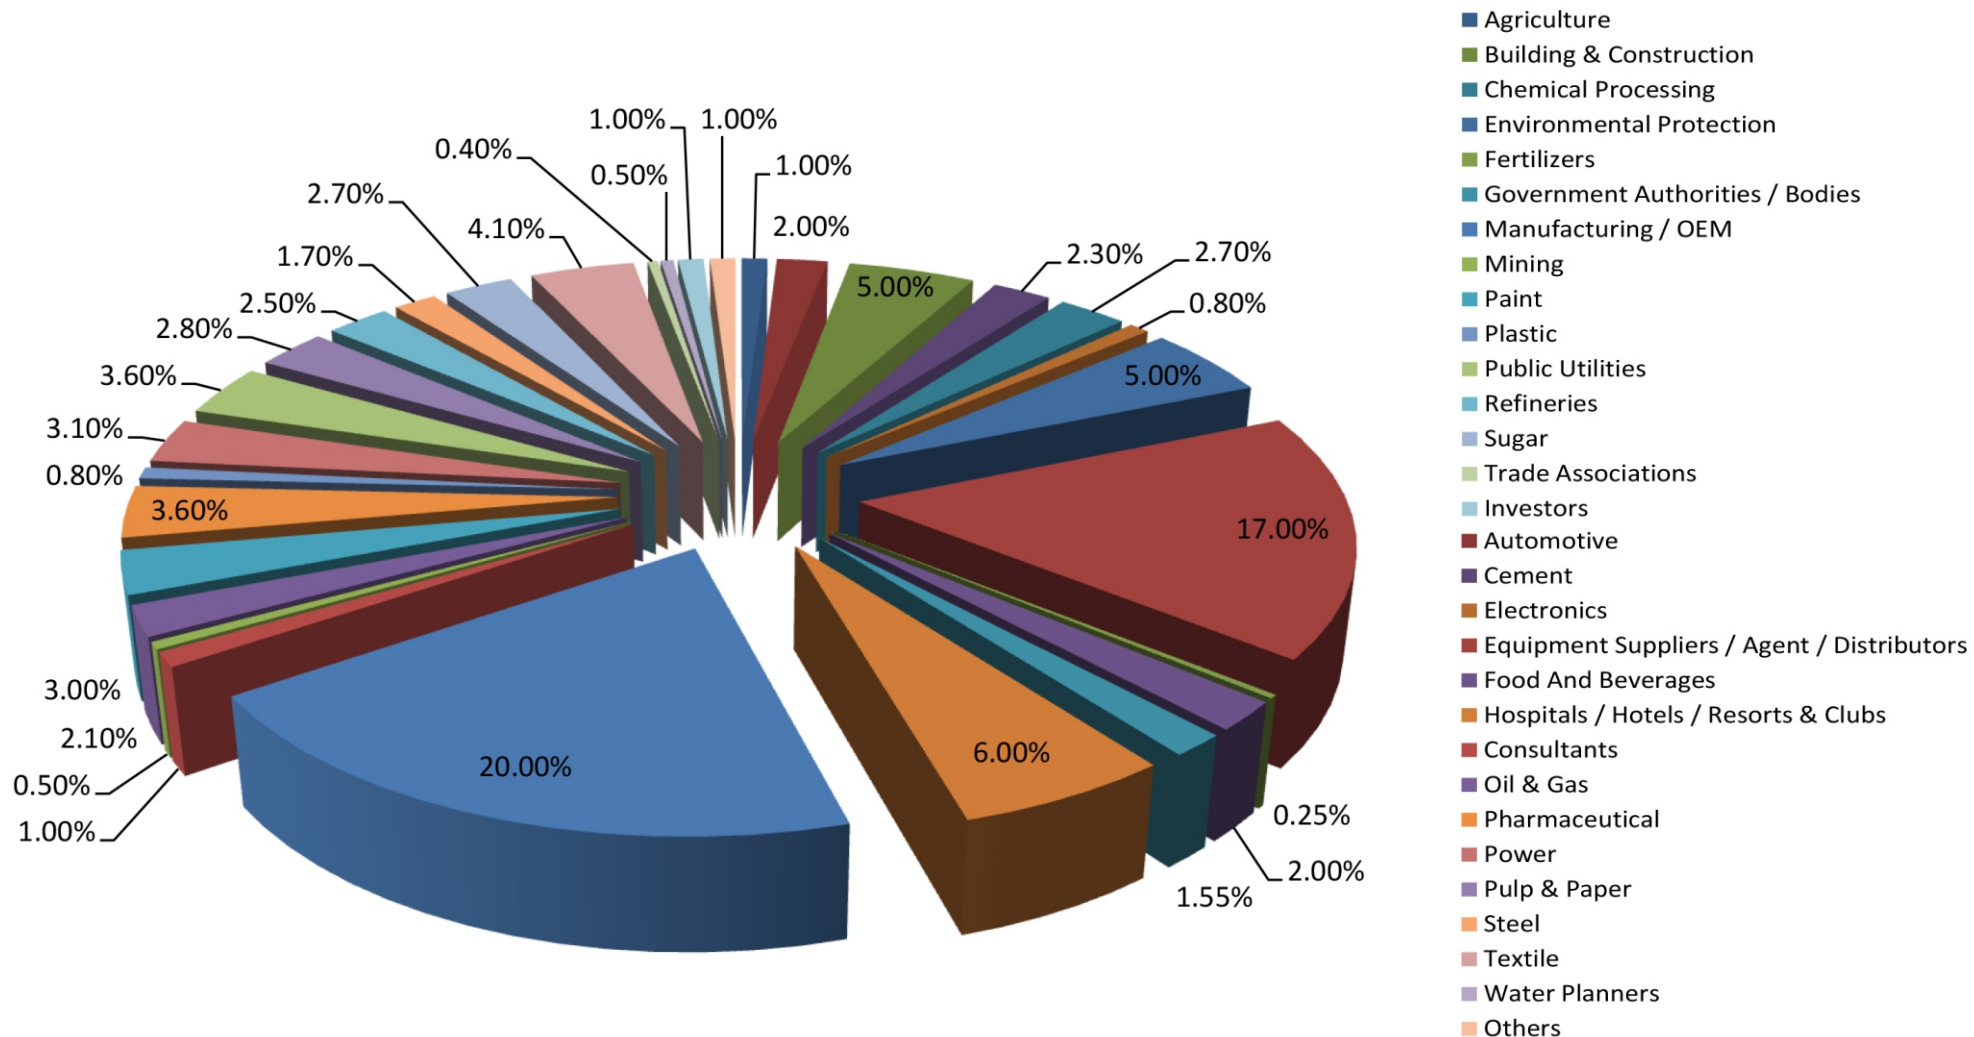

The show attracted over 2,300 unique visitors from domestic and overseas, majority of them were professional buyers and industry experts. Exhibitors and brands from around the world participated with a clear purpose, using this unique stage to promote their offerings to one of the world's fastest growing water markets.
